(ODE) in the course title - refers to Ontario Distance Education (Ontario Learn) courses. Please reach out to ol@georgiancollege.ca if you have any issues or concerns with your ODE/Ontario Learn Course. (registration, grade, access, instructor, appeal, etc.) ODE/Ontario Learn courses **DO** come with an added cost and there should be a pop up at registration. They are **NOT** through Blackboard (although the course will appear in Blackboard). You will receive emailed instructions from the OL office on how to access the course (check spam if you are not able to locate). Grades may be delayed in being entered in the student system versus a Georgian run course (if you are in a program that requires grades for Board exams, please check with the Reg. Office if timing of this course is acceptable to meet those deadlines).

Please refer to MyPath, or seek advice from a coordinator, credit transfer office or email Liberal.Arts@GeorgianCollege.ca if you have taken courses previously at Georgian (or Ontario Learn) to ensure you are not taking the same COMM course again (Course codes may be different, but equivalent Example **Do NOT** take COMM 1024 if you have already successfully completed COMM 1016 or vice versa). If you have courses from another College of University, and are interested in having them evaluated for credit transfer, it is best to do this early (before the semester starts), and submit course outlines along with the credit transfer request to the Credit Transfer Centre. Please visit Credit Transfer online for more information on this process.

****Are Courses offered through Part Time Studies.** Students registering out of sequence, taking a course over and above the regular course load, or as a Part Time student (3 courses or less in the Fall Semester) can register for these courses August 1, 2026 (from any campus). Part time students would also have access to any of the other courses during Add/Drop (if space permits/please feel free to keep checking as availability may change frequently during this period Aug 17th-21st) It is advisable to be registered and attending classes at the start of the semester (September 8th), as starting late does put you at a disadvantage.
