****COMM 2017 and COMM 2025 through ODE are equivalent courses - If you have taken either one, **DO NOT** take the other one as it will not count as a second COMM credit. (In order to register in a second level COMM - you must have successfully completed a level 1 COMM (COMM 1016 or COMM 1024), or have taken the CPA test at Georgian and received the required scores to bypass the prerequisite of level 1 COMM. Please remember CPA test results do not reduce the number of COMM courses required for your Program (you still need to take the same number of COMM courses outlined by your Program Requirements, it just allows you to take upper levels instead or two at the same time....).

If you are unsure if a previous course you have taken either at Georgian College, through Ontario Learn or another College has equivalencies, PLEASE reach out for clarification BEFORE registering into a course. **liberal.arts@georgiancollege.ca**

Need to repeat a COMM course? Please reach out to **liberal.arts@georgiancollege.ca** for assistance. Permissions may be required as outlined by the current Academic policies. We can help.
