

ACE Communications Journal Writing Marking Scheme

STUDENT	
---------	--

An integral part of learning grammar is the ability to implement your knowledge into your writing. The time you have spent on grammar has been extremely important and should not be forgotten; in fact, proper grammar needs to be used in every piece of your writing.

Students taking Communications demonstrate their ability to organize and produce unified and effective pieces of written work by putting pen to paper using proper grammar. A journal is to be written at the end of each of the grammar sections in ACE
