FREE ONLINE course

Interested in updating your computer skills?

Academic and Career Preparation (ACP) can help you meet the requirements you need for college, an apprenticeship or a job.

ACP offers a **FREE, flexible and supportive online upgrading course** that accommodates the realities of daily life while you bring your computer skills to the next level.

Gain skills in Microsoft Word, Microsoft Excel, PowerPoint, Microsoft Teams, social media, APA formatting for academic papers, and file management.

This course is available to individuals 18 years of age or older who meet the eligibility requirements.
