SKILLS for CAREER PATHWAYS

DELIVERED ONLINE

Work at your own pace with one-on-one support from faculty.

Considering changing careers?

Career Pathways is a **FREE program** that will help you develop a career plan that considers the steps you need for lifelong learning and employment.

SKILLS DEVELOPMENT:

- Discover how your values and vision align with local community employers
- Understand how your skills, strengths and interests transfer to current work trends
- Develop a plan that combines work and learning to ensure you have the right skills
- Learn how local support agencies can provide help related to your employment and training needs
