SUMMARY: You have 1 active Offers of Admission at this time. You have not confirmed to any offer.

Important! Read Carefully.

- When a college issues you an Offer of Admission it will be posted here, so check this page regularly.
- You should receive an admission decision from **each** college where you submitted your application. If you do not receive any documentation regarding your application, contact the college directly.
- Once you do receive an offer of admission, it is **your responsibility** to research all offers and understand the terms of each offer in order to make an informed decision. For details on your offer, including financial aid if applicable, please review your Offer Package and refer to your Offer of Admissions letter from the college for more information or contact the college directly.
- You may accept only **ONE** offer of admission at a time. If, after accepting an Offer of Admission, you change your mind or receive another offer which you prefer, you may accept the new offer as long as it is available (i.e. the offer is not expired or revoked.) This new acceptance will cancel the previous acceptance and UCAS will notify the college(s).

How do I Select an Offer of Admission?

1. Click the "CONFIRM" button in the left column for the offer you wish to accept.
2. In another window, you will be prompted to confirm your selection.
3. Upon confirming your selection, the offer to which you confirmed and the date you accepted the offer will appear in the "Current Status" box at the bottom of this page. You will also receive an email confirmation of your confirmation was successful.
