

How are you contributing
to a healthier planet?

CICan ImpAct Climate

CHALLENGE

THE CHALLENGE: Greenhouse gases are the leading cause of climate change. We want to know your creative solutions for a sustainable future!

Share your submissions
by May 31 for a chance to

WIN PRIZES!

Submit via social media. Use the hashtag **#ImpActClimate** and tag **@georgiancollege** and **CICan** in your post.

OR

Submit via online form at **impactclimate.ca**

HOW TO PARTICIPATE:

- 1** Think about what you do in your daily life that helps reduce greenhouse gas emissions. No action is too big or too small!
- 2** Submit your actions, ideas or projects, and be creative. All forms of submissions are welcome, from photos and videos to poems.
