- 1.2 The lands and grounds of Georgian College are private property, and the college reserves the right to control motor vehicle access and operation on campus. The college permits parking and driving on campus grounds only upon the terms and conditions set forth in this procedure. The speed limit on college roads is 25 km per hour, unless otherwise posted. Pedestrians have the right-of-way at all crosswalks. All vehicles must park in a designated parking space and have a valid permit or hourly/daily validation. Parking and Traffic Regulations are in force at all times.
- 1.3 In addition to this procedure, all statutes, regulations and by-laws governing the operation of a motor vehicle in the Province of Ontario as outlined in the Highway Traffic Act and those enacted by each municipality are in force on Georgian College campuses.
- 1.4 The college reserves the right to move or impound, at the owner's expense, any abandoned vehicle or vehicle found in violation of the Georgian College Parking and Traffic procedure.
- 1.5 The college reserves the right to suspend parking privileges temporarily or permanently in any parking area.
- 1.6 Except in circumstances authorized by the Manager, Security & Parking Operations, all parking on college property is on a first come first serve basis.

They are solely for the use of the party to whom they were issued, and valid only for the vehicle(s) registered. Transfer by sale or exchange renders the permit invalid. Unauthorized use may result in confiscation and additional remedies or sanctions as deemed appropriate by the Manager, Security & Parking Operations.

- 1.10 Purchase of a parking pass constitutes permission to park in designated areas, but does not guarantee availability of a parking space. Unavailability of a parking space does not relieve the vehicle owner and or driver of their responsibilities with respect to this procedure.
- 1.11 College service vehicles will be assigned designated parking locations. Unauthorized vehicles parking in any of these designated locations are subject to a fine and/or towing without notice, at the owner's risk and expense.

The college may request proof of permit validity at any time. Unauthorized vehicles parked in these designated locations are subject to a fine and/or towing without notice, at the owner's risk and expense.
- 1.15 Permit holder parking is restricted to daily lots only. Permits are not valid in hourly visitor parking spaces.
- 1.16 A missing/broken gate or a gate in the "up" position does not authorize entry or imply free parking in any gate-controlled parking lot. Permit or pay parking is required in these areas as per posted signage.
- 1.17 Only one vehicle per permit holder account is permitted to park on college property **per day**.
- 1.18 Full rate monthly parking permits are valid at all campus locations with the exception of the downtown location.
