ACCELERATE
YOUR SUCCESS

Your event supports our students!

- **Classroom and lecture hall rental fees** contribute to the required maintenance and upgrades that the rooms require to stay current and competitive.
- Catering provides our students with not only jobs in the present, but jobs in the future, giving them the experience they need to excel in the culinary and hospitality industries.
- Rentals of our **Athletics Centre** and **The Last Class** go directly to the Georgian College Students' Association, and therefore towards student clubs and services, study space, scholarships, and Ashoka Changemaker social initiatives.
