Why should I take this program at Georgian?

Flight Attendants are ambassadors of the passenger experience, playing a critical role in ensuring safety and service in the airline industry. The Flight Services-Cabin Management diploma program develops the essential skills, knowledge, and professional behaviours required for this dynamic career.

Students gain hands-on experience and theoretical knowledge in passenger safety, emergency preparedness, and in-flight service. Emphasis is placed on regulatory compliance, the use of emergency equipment, and leadership in managing diverse passenger interactions. Students build the confidence to handle real-world scenarios while fostering a service-driven mindset and cultural awareness.

External Recognition: We are the only college to have a Flight Attendant Aviation Pathway Program Agreement with Jazz Aviation. This unique opportunity allows students to apply directly for the position of Flight Attendant at Jazz Aviation, providing a clear career pathway into the industry.

Career Opportunities

Graduates from this program may pursue a variety of entry-level roles across aviation, tourism, and hospitality, including but not limited to:

Flight attendant with regional, national, or international airlines
Corporate and business aviation cabin crew
Flight operations support
Airline or airport customer service agent
Crew scheduling and operations coordinator
Aviation safety and compliance coordinator
Roles with government aviation agencies and regulatory bodies
Guest services or concierge in hotels and resorts
Cruise line hospitality and guest experience roles
Tour operations and travel coordination

Introduction to Cabin Crew

FLIE 1001

Course description

Cabin Crew must balance safety, security and service amongst their passengers and fellow crew members. In this course, students examine the roles and responsibilities of a Flight Attendant. Service and professional standards, common commercial aircraft and the theory of flight are discussed. Students are introduced to the Canadian Aviation Regulations which influence how flight attendants work onboard an aircraft and how they impact a crew member's lifestyle and work/life balance. Students also discover how airlines rely upon their Cabin Crew to build and maintain company culture and branding.

Are part-time students eligible for OSAP?

Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our [Financial Aid](#) page.

Can I transfer credits/use prior learning?

The Credit for Prior Learning centre assists with:

- Transferring courses completed at another accredited institution which may be eligible for transfer towards your education at Georgian.
- Prior Learning Assessment and Recognition (PLAR) – students can challenge course requirements based on relevant work or life skills and knowledge gained.

More information on the above options as well as the processes to apply for exemptions, visit the [Credit for Prior Learning webpage](#).

If you have taken courses at Georgian in the past and they qualify for this program, they will automatically apply to your credential. You will see these courses in MyPath.
