(ODE) in the course title - refers to Ontario Distance Education (Ontario Learn) courses. These are not delivered by Georgian, therefore COMM and GNED office is unable to support you with any technical needs or academic appeals with these courses. They come with an added cost. They are not through Blackboard, and grades may be delayed (if you are in a program that requires grades for Board exams, please check with the Reg. Office if timing of this course is acceptable to meet those deadlines). If you have any questions or concerns about an OntarioLearn course, please reach out to: ol@GeorgianCollege.ca

If you have general questions about General Education Courses, please email: Liberal.Arts@GeorgianCollege.ca

Please refer to MyPath, or seek advice from Program Coordinator if you have taken courses previously at Georgian (or Ontario Learn) to ensure you are not taking the same course again (Course codes may be different, but be equivalent). If you have courses from another College of University, and are interested in having them evaluated for credit transfer, it is best to do this early (before the semester starts), and submit course outlines along with the credit transfer request to the Credit Transfer Centre. Please visit Credit Transfer online for more information on this process. If you have any questions or concerns about credit transfers you can email: ctcregistrar@GeorgianCollege.ca

*Are Courses offered through Part Time Studies. Students registering out of sequence, taking a course over and above the regular course load, or as a Part Time student (3 courses or less in the Fall Semester) can register for these courses August 1, 2026 (from any campus). All other courses - they would have to wait until Add/Drop (Aug 17- Sept 21) provided there is still room in the course. It is advisable to be registered and attending classes at the start of the semester (Sept 8th), as starting late does put you at a disadvantage.
