TEXTBOOK INFORMATION

Once a student has registered for their courses, the booklist will be available on their Banner account. Students are encouraged to check their booklist and to purchase them prior to the start of classes. Once textbooks are purchased, students must email their proof of purchase to BetterJobsOntario@GeorgianCollege.ca. A letter will be provided to submit to Better Jobs Ontario for proper funding. Proof of purchase is in the form of receipts only; either a photo of the paper receipt or a copy of the e-receipt. Booklists are generated from your list of registered courses; as a result, if the student has not registered for courses, they will not be able to view their booklist. Students should expect to pay between \$1,900 - \$2,200 for textbooks over the course of this program.

Students can watch the following informational clip on how to find and purchase their textbooks:

Students have until Day 10 (last day of the add/drop period) to withdraw from their program with a full financial refund. After this date, there is no financial refund available; regardless of how a student is funding their education (Better Jobs Ontario funding included). Students are able to withdraw without academic penalty until approximately 11 weeks into the semester. Exact dates to withdraw without academic penalty are available upon request via email to

BetterJobsOntario@GeorgianCollege.ca.
