

Part-time Program Delivery Schedule
Museum and Gallery Studies (MUSM)
Ontario College Graduate Certificate
Fall 2026 intake

Graduation Requirements: 13 Program Courses, 1 Co-op Placement

Welcome to the program! We have a sequencing of courses for you to follow.

On the pages of this document you will find a course sequencing for part-time students to follow. This sequencing allows for your best experience as a part-time student.

Not all courses are available. The sequencing in this document gives you information on when you should plan to take the courses (“Term Offered”).

If you feel that you cannot follow this sequencing, you will need to discuss your course selection with the program coordinator.

How to use this document:

Semester column is a reference column and refers to the semester offered in the full-time program			
Course Code and Course Name are how we identify the course you need to take.			
Term Offered shows the term (Fall/Winter/Summer) when the course is offered (when you should take it).
