OntarioLearn (ODE) Courses

ODE (Ontario Distance Education) courses are delivered through OntarioLearn and include an additional fee. These courses are not accessed through Blackboard, even though they may appear in Blackboard or Banner. Once registered, you will receive an email with instructions for accessing your course.

For assistance with login or course access, please contact ol@georgiancollege.ca.

Students whose programs require grades by a specific deadline (e.g., board or licensing examinations) should check with the Registrar's Office to ensure the OntarioLearn grade submission timeline meets their requirements.

Please review your academic record in MyPath and consult the Communications (COMM) Coordinator if you have previously completed COMM courses at Georgian College or through OntarioLearn. Some courses may have different course codes but are considered equivalent, and repeating an equivalent course may not count toward your program requirements.

If you have completed courses at another college or university and would like them assessed for transfer credit, it is recommended that you begin the process before the semester starts. Submit your course outlines along with a Credit for Prior Learning (CPL) request to the Credit for Prior Learning Centre. For more information, please visit the Credit for Prior Learning website.

Be sure to review your program outline to confirm that the courses you select meet your program requirements. Please note that some programs require specific Communications courses, and these requirements may not align with the COMM courses available through OntarioLearn.
