Recreation and Leisure Services Non-Co-op (RELN)
Ontario College Diploma
Part-time ONLINE Delivery Schedule
Winter 2027 intake

Graduation Requirements:
16 Mandatory Courses, 2 Communications Courses, 3 General Education Courses, 3 Optional Courses

Welcome to the program! We have a sequencing of courses for you to follow.

On the pages of this document, you will find a course sequencing for students taking 3 courses per semester and for students taking 2 courses per semester.

If you feel that 1 course will be sufficient workload for you, connect with Jenny Wilcox to request a custom sequencing. Jenny.wilcox@georgiancollege.ca

We have set this sequencing up for your success. **The sequencing includes courses with reserved seats for part-time students.** If you are not able to follow it, connect with us to discuss.

Please ensure you follow your cohort's course sequencing when registering.

Courses are designed to be taken in a specific order to support your learning and success. Registering in courses outside of your scheduled sequence may leave you unprepared for required content and could delay your program progression.

For this reason, **students are expected to register only in the courses outlined for their current term and not substitute or register in alternate courses without prior approval.** Do not choose courses randomly. If you have questions about your sequence or believe you need an adjustment, please contact Jenny Wilcox before registering. We are happy to help you plan the best path forward.

If, when you go to register, courses are showing as FULL – do NOT choose other courses. Send an email to Tammy. We will do an override or suggest an alternate course if required.

Tammy.burke-marson@georgiancollege.ca

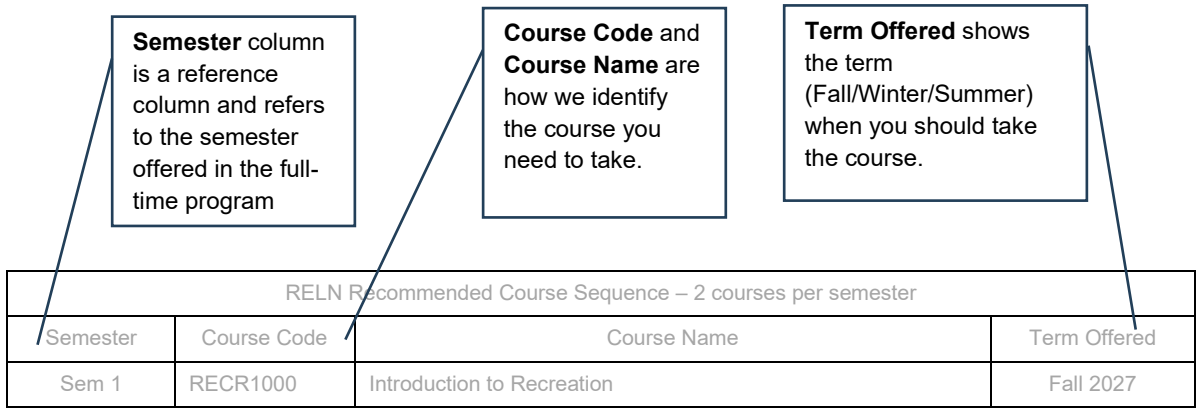

Students who are planning to PLAR or transfer credits, connect with us for our Credit Transfer/PLAR information package. We will adjust your sequencing/advise on correct courses to take based on your plans for PLAR challenges.

All courses in this program are delivered online asynchronous.

Part-time students:

- can take a maximum of 3 courses in a semester
- can vary the number of courses they take every semester (1, 2, or 3 courses)
- can take one semester off per year.
