Almost all Georgian programs offer a work-integrated learning experience. It’s a chance for you to gain experience as part of your program.

1. CO-OPERATIVE EDUCATION

Georgian offers a comprehensive range of work-integrated learning opportunities. A co-op is offered in a variety of academic areas for a range of career choices.

- **Wages**: Co-op students are paid.
- **Duration**: Start dates are typically fixed.

2. CLINICAL PLACEMENT

Get clinical experience under the supervision of an experienced registered professional. Student must complete coursework or have a professional license/certiﬁcation.

- **Wages**: Clinical placements are unpaid.
- **Duration**: The clinical placement is typically full-time.

3. FIELD PLACEMENT

Gain hands-on experience in a setting related to your program.

- **Wages**: Field placements may be paid or unpaid.
- **Duration**: Field placements vary by opportunity.

4. INTERNSHIP

Take part in a supervised, structured work opportunity — typically for academic credit.

- **Wages**: Internships are typically paid.
- **Duration**: Internships are typically 4 months long.

5. APPLIED RESEARCH PROJECTS

Get involved with research by working with industry partners and faculty as part of a research team.

- **Wages**: Most applied research projects are unpaid, unless students are in quality assurance or management.
- **Duration**: Projects vary depending on the research team.

6. COMMUNITY SERVICE LEARNING

Engage in projects while you’re learning.

- **Wages**: Community service learning is unpaid.

7. APPRENTICESHIP

Anyone who wants to learn a skilled trade, such as plumbing, can train through an apprenticeship.

- **Wages**: Apprenticeships are paid, but salaries vary.
- **Duration**: Each apprenticeship lasts a multiple of 168 hours.

8. ENTREPRENEURSHIP AND SOCIAL ENTREPRENEURSHIP

Get involved in the social entrepreneurship and social changemaking work-integrated learning opportunities.

- **Wages**: Some entrepreneurship co-ops can be paid.

9. CHANGEMAKER

Georgian’s Centre for Changemaking and Social Innovation (CCSI) offers a comprehensive range of work-integrated learning opportunities.

- **Wages**: Changemaking opportunities are typically paid.
