

Artificial Intelligence Leadership and Management (LIAI) Ontario College Graduate Certificate

PART-TIME

Frequently Asked Questions

Do I need to apply?

Part-time students must apply to this program through ontariocolleges.ca
Use the code LIAX.

When can I start the program?

Intake: September

How many courses do I take?

Full program details and Admission Requirements can be viewed on the [Program Outline](#).

Graduation requirements
12 Program Courses

What is this program about? Do I need IT experience?

No IT or computer experience is needed!

Explore and gain knowledge in the field of artificial intelligence and its impact on the different work areas in any size business to prepare for an inter-disciplinary position in industries like Marketing, Finance, and Human Resources. Graduates should be able to hold managerial positions in both the private and public sectors or become entrepreneurs and establish their own enterprises in the field of artificial intelligence.

What are the varying forms of delivery? Can I take this program online?

This program is delivered in a hybrid format. Some courses are delivered online and other courses are in-person, on campus in Barrie. You cannot take this entire program online.

How do I know which courses to take?

Refer to the [Delivery Schedule](#) for a list of courses, when they are offered (Fall or Winter) and how they are delivered.

At this time, the delivery mode will not change year to year.

How long will it take to complete the certificate?

This varies depending on how many courses you take each semester. Total courses: 12

3 courses per semester: finish in 4 semesters or under 2 years

Example: Fall – Winter – Fall – Winter

2 courses per semester: finish in 6 semesters or under 3 years

Example: Fall – Winter – Fall – Winter – Fall – Winter

What is the cost of the program?

There is no program fee when studying part-time. As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester.

Payment is per course, as you register.

The course fees change year-to-year and sometimes course to course. The best source for accurate fees is to check the website: [Artificial Intelligence Leadership and Management](#)

See screenshot below.
