Fall-Winter-Summer-Fall-Winter-Summer-Fall-Winter

2 courses per semester: finish in 12 semesters or 4 years

Fall-Winter-Summer-Fall-Winter-Summer-Fall-Winter-Summer-Fall-Winter-Summer

What happens if I cannot take any courses one semester due to other commitments/circumstances?

You do not have to report or confirm the number of courses you take each semester – this is up to you and you can change the number of courses you take from semester to semester.

For example, you can start with 2 courses, then take 3 courses, then take 2 courses, etc. Remember that if you are not able to maintain a minimum 2 courses per semester, it will delay your timeline to completion.

You can take one semester off per year from taking courses if required. If you need an extended time away, please connect with us to discuss.

Can I transfer credits/use prior learning?

The Credit for Prior Learning centre assists with:

- Transferring courses completed at another accredited institution which may be eligible for transfer towards your education at Georgian.
- Prior Learning Assessment and Recognition (PLAR) – students can challenge course requirements based on relevant work or life skills and knowledge gained.

More information on the above options as well as the processes to apply for exemptions, visit the [Credit for Prior Learning webpage](#).

If you have taken courses at Georgian in the past and they qualify for this program, they will automatically apply to your credential. You will see these courses in MyPath.

Are part-time students eligible for OSAP?

Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our [Financial Aid](#) page.

I don't want a diploma – can I take courses that interest me?

Yes.

You will need to apply to the program whether you plan to complete or take only a few courses. Refer to the Delivery Schedule to find out when courses will be available.
