What is the cost of the program?

There is no program fee when studying part-time.

As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester.

Payment is per course, as you register. The course fees change year-to-year and course to course.

Students in programs with a co-op placement component pay fees that include a co-op fee. The fee on the Continuing Education website may not reflect the correct fee.

Fees for 42 hour courses for Fall2022/Winter 2023/Summer 2023 will be around \$380.

Why do some courses have (ODE) in the name?

These courses are offered through OntarioLearn. OntarioLearn courses are set up as equivalents to the program courses. You can choose to take the ODE courses or the Georgian program courses. Find more information on OntarioLearn: <https://www.georgiancollege.ca/academics/online-learning/ontariolearn/#faq>

Note that fees for courses with (ODE) in the course name offered through OntarioLearn have a higher course fee due to additional fees for these courses. Course fees for a 42 hour (ODE) course will be approximately \$480.
