At this time, there are intakes: September, January, May

#### **How many courses do I take?**

Full program details can be viewed on the [Program Outline](#).

Graduation requirements

13 Program Courses

1 Capstone Course

Students may need to purchase or install additional computer hardware or software beyond the standard program tuition and ancillary fees. A Windows-based computer is required to ensure compatibility with program software and tools. Minimum recommended specifications include:

1. Operating System: Windows 10 or later (64-bit)
2. Processor: Intel Core i5 / AMD equivalent or higher
3. Memory: 8GB RAM (16GB recommended)
4. Storage: 256GB SSD or higher
5. Additional Important Requirements: reliable high-speed internet connection, webcam, and microphone for online learning

For Mac Users: If you have a Mac, you can look at how to run Windows applications using third-party tools that allow Windows-based software to function within a macOS environment.

Note: Specific software and hardware requirements will be provided in the course documentation upon enrollment.

## Special Information

Georgian College Applied Arts and Technology is an Authorized Training Partner (ATP)<sup>®</sup> with the Project Management Institute (PMI)<sup>®</sup>.<sup>2</sup> As an ATP<sup>®</sup>, approved instructors within the Project Management-Information Technology group may deliver approved PMI<sup>®</sup> certification preparation courses. These offerings provide students the opportunity to earn PDUs<sup>®</sup>, which may be applied toward PMI<sup>®</sup> certification eligibility and the renewal of existing certifications.

Certification preparation courses are scheduled during the academic term based on student interest and the availability of a sufficient number of participants to support an effective session.<sup>1</sup>

Students could also earn Education PDUs<sup>®</sup> through relevant program courses within Project Management-Information Technology Program, which could contribute toward the eligibility requirements to sit for PMI<sup>®</sup> certification exams. PDUs<sup>®</sup> earned in one or more areas of the PMI Talent Triangle<sup>®</sup>—Technical Project Management, Leadership, and Strategic and Business Management—could be used to satisfy Project Management Institute's<sup>®</sup> balanced PDU<sup>®</sup> distribution requirements for certification and ongoing maintenance.

To learn more about the PMI<sup>®</sup> Authorized Training Partner (ATP<sup>®</sup>) program, visit the [PMI ATP Overview](#).

For additional details on PMI<sup>®</sup> certifications, PDU<sup>®</sup> requirements, and training options, visit the [PMI Certification site](#).

<sup>1</sup> Training program offerings may vary annually based on program review. PMP<sup>®</sup> Exam Prep is currently offered (2025).

<sup>2</sup> Georgian College holds Authorized Training Partner (ATP)<sup>®</sup> status with the Project Management Institute<sup>®</sup> as of 2025. Status is reviewed annually by the College.

PMI<sup>®</sup>, ATP<sup>®</sup>, PDUs, PMP, and PMI Talent Triangle are registered marks of Project Management Institute.

## How is this program delivered? Can I study online?

This program has a hybrid delivery. This means some courses are delivered online while other courses are in-person on campus.

Connect with the program coordinator, Michael Payne, to discuss whether you can complete this program through online delivery.

The Delivery Schedule shows the order in which part-time students should take courses. This was set by the program coordinator and is highly recommended you follow the path to ensure you have courses to take each semester. If you have questions about which courses to take, connect with the program coordinator.

## How long will it take to complete the certificate?

This varies depending on how many courses you take each semester. Total courses: 14  
Following the Delivery Schedule:  
Fall 2026 to Winter 2028

## What is the cost of the program?

There is no program fee when studying part-time. As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester. Payment is per course, as you register.

The course fees change year-to-year and course to course. The best source for accurate fees is to check the [PMIT](#) website. See screenshot below.
