- Prior Learning Assessment and Recognition (PLAR) – students can challenge course requirements based on relevant work or life skills and knowledge gained.

If you have at least one year of work experience you may be eligible to fast track through the program through Prior Learning Assessment exemptions.

More information on the above options as well as the processes to apply for exemptions, visit the Credit for Prior Learning webpage.

If you have taken courses at Georgian in the past and they qualify for this program, they will automatically apply to your credential. You will see these courses in MyPath.

Can I complete this program online?

At program launch, September 2026, you can complete many of courses online asynchronously. Not all courses are developed for online delivery and you will need to attend class in-person for some of the courses.

What does asynchronous mean?
Online *asynchronous* means you do not attend live classes. You can log in to the course whenever it works best for you. Most courses have weekly deadlines you will have to meet. Classes are delivered combining self-directed lectures, group discussions and virtual instructor support.

Our Delivery Schedule lists when to take courses as well as listing the delivery so you can plan out your time when you need to attend an in-person course.

Wondering if studying online asynchronously is right for you?

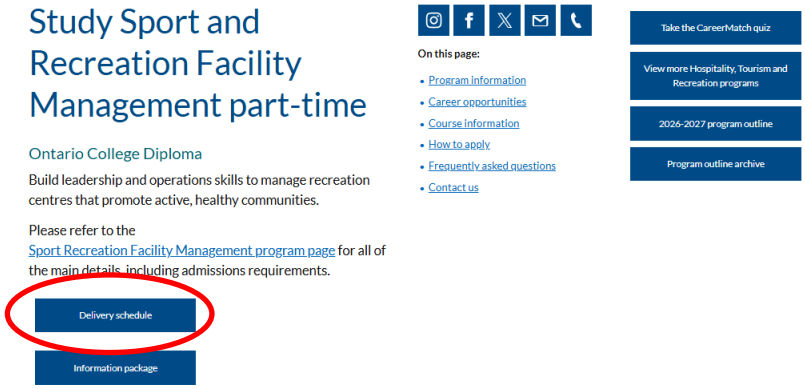

If you are wondering whether studying online is right for you – review the information at the links below as it may be helpful!

How do I know which courses to take?

We have set a schedule up for you – review the Delivery schedule posted on the program page:

What is the cost of the program?

There is no program fee when studying part-time. As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester. Payment is per course, as you register. The course fees change year-to-year and course to course.

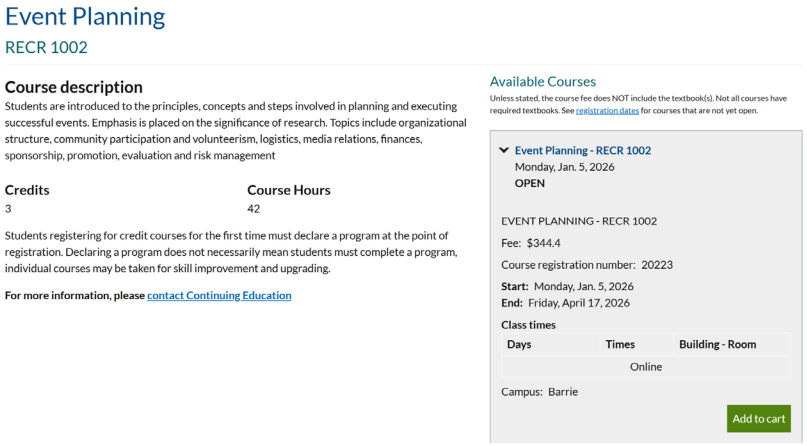

The best source for accurate fees is to check the program page on the website.

Each course listed links to course sections with fees:

NOTE: courses show website during the registration period.

If you are looking for fees and cannot see any section details, use this screenshot as your fee estimate.

Fees for Communications and General Education courses vary depending on what you choose.

How long will it take to complete the diploma?

This varies depending on how many courses you take each semester and if you are fast tracking using exemptions/PLARS. Total courses: 24

Following the Delivery Schedule with no advanced standing: 3 years

What happens if I cannot take any courses one semester due to other commitments/circumstances?

You do not have to report or confirm the number of courses you take each semester – this is up to you and you can change the number of courses you take from semester to semester.
For example, you can start with 2 courses, then take 3 courses, then take 2 courses, etc. Remember that if you are not able to maintain a minimum 2 courses per semester, it will delay your timeline to completion.

You can take one semester off per year from taking courses if required. If you need an extended time away, please connect with us to discuss.

I have credit transfers/PLARs – what schedule do I follow?

If you are fast tracking due to credit transfers/PLARs, we can assist you in creating a revised course schedule.

Are part-time students eligible for OSAP?

Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our Financial Aid page.
