## Why study at Georgian?

- Our grads get jobs! Georgian has one of the highest graduate employment rates among all Ontario colleges at 90.3 per cent.
- We're a recognized leader in student work experience.
- 100 per cent of our programs offer hands-on learning.

## Why this program?

- Develop hands-on skills and gain experience in a variety of construction-related trades.
- Apply basics of entrepreneurship and sustainability within the construction industry.
- Learn about a variety of construction-focused courses including carpentry, cabinetry, plumbing, electrical techniques, small engine mechanics, drafting, and heating and cooling.
- High employment rate in your local area.
- Our faculty bring expert knowledge to the classroom from both private and public practices.
- High demand for skilled trades workers.
- Get local placements in your community.
